

Why learning Hindi

- Over 260 million people speak Hindi as their mother tongue, and another 120 million speak it as a second language in countries such as India and Nepal.
- According to the World Language Monitor, Hindi is the world's **fourth** most spoken language.
- Learning Hindi can give you a wonderful insight into India's culture through its literature, art, or music. As the Hindi film industry is commonly known, **Bollywood** is a huge resource for anyone wanting to learn Hindi. Around 40% of Indian box office revenue comes from Bollywood films.

Hindi Course at SecondTongue

Beginners Level (30 Hours)

Outcome:

- This is a first step, where the learners are introduced to the culture.
- Understands and uses common everyday idioms and very simple sentences geared at satisfying actual requirements.
- Could identify himself/herself and others and ask and answer questions regarding personal data such as where he/she lives, individuals he/she knows, and possessions.
- Will converse in a straightforward manner if the other person speaks slowly and clearly and is willing to assist.

Elementary Level (30 Hours)

Outcome:

- At this level, students are learning how to function successfully in social situations.
- Be able to greet individuals, inquire about their well-being, and react to the news using simple common courtesy words. This level will help you stand out from the crowd of newcomers.
- Grammatical components such as parts of speech, tenses, connectors, and other essentials would be included at this level.

Intermediate Level (30 Hours)

Outcome:

- At this level, the emphasis is on improving your oral abilities. It is only appropriate for students who have completed the basic course.
- This level can help you go deeper into the language while also boosting your confidence!
- You will be able to construct complicated phrases, make requests and suggestions, and narrate future occurrences at this level.

Advanced Level (40 Hours)

- Are you ready to advance to the master level of your language? At this level, we will strive to improve your knowledge and boost your confidence, giving you wings to improve your listening, writing, and reading abilities.
- This level will also allow you to apply your adaptability and effectiveness to social, academic, and professional objectives.

Why Second Tongue

- Learning a second language extends well beyond the conventional teacher-centered method.
- We at Second Tongue believe that one should never study a language; rather, one should have enjoyment while listening to that language.
- We think that language is more than mere letters, it is something that gets acquainted with the culture and introduces an individual to a whole different world!
- We educate using creative methods such as role-plays, songs, PowerPoint presentations, videos and documentaries, games, and workshops.
